

REGISTRATION FORM

The North Georgia Farm Trail is a joint effort of the Pickens, Gilmer, Fannin, Blairsville-Union and Towns County Chambers of Commerce; Georgia Department of Economic Development's Tourism Project Managers for Northwest and Northeast Georgia; State of Georgia Department of Agriculture; and Content Creative, a local marketing firm. We all share the same goal: to bring people to the North Georgia mountains via the Hwy. 515 corridor by promoting the many wonderful farms, farmer's markets, farm-to-table restaurants, wineries and vineyards, and agricultural events along the route. Over 230 locations are now featured in the North Georgia Farm Trail Guide.

Join us on **Tuesday, April 21, 2015**, at Southern Tree Plantation in Blairsville for our first **North Georgia Farm Trail Agritourism Symposium** and visit a working farm, network with other farmers, learn about the latest in effective marketing strategies, on-farm activities that work, and hear first-hand testimonials from agritourism operators about their successes.

Please dress casually—This is a working farm! For more information visit <http://www.gafarmtrail.com/symposium/>
